

## Encore Wedding Photography - Wedding Party Photograph Suggestions

This is a checkbox list of *possible* photographs featuring the wedding party. We will attempt to take as many of the photos that you might like within the time available, but we may need to prioritise in favour of those which you **have ticked off** in this list.

Note that this form makes suggestions only for the Wedding Party photos. We rely on you to **provide an Additional Photos List** to inform us of other photos which may include brothers and sisters, grandparents, aunts & uncles, cousins, extended family & friends, etc.

You **must also** provide us with a copy of your **Wedding Day Itinerary** to allow us to check that we will have enough time to take the photos you want.
